 LUXURY PEARL MOSAIC TILES
 • ENGLAND •

SPECIFICATION DATA (SAMPLE ISSUE)

Product Code:- NATURAL

Tessera Size:- 25mm x 25mm x 2mm*

Base Material:- Freshwater Shell

Sheet size:- 318mm x 318mm*

Sheet type:- Mesh backed or Paper faced

Sheets per m2:- 10

Tessera per sheet:- 144

Weight per m2:- 4.16 kg*

Max. allowed dimensional tolerances:- Tessera size: +5% / -10%* Sheet dimension: +/- 0.5%*

BS EN ISO 10545-03:- Determination of Water Absorption - Resistant

BS EN ISO 10545-09:- Determination of Thermal Shock - Resistant

BS EN ISO 10545-12:- Determination of Frost Resistance – Resistant

BS EN ISO 10545-13:- Determination of Chemical Attack – Resistant to Swimming Pool Chemicals

BS EN ISO testing by independent test authority - Ceram Research Ltd (UK).

Construction:- Natural pearl from freshwater shell, cut into individual tessera of approximately 25mm x 25mm x 2mm*. Finishing process is naturalised, resulting in rounded corners on each tessera and deflection on edge cuts. *The naturalised finishing results in the dimensions of each tessera varying within the specified allowed tolerances. Grout joint approximately 2.0mm with allowance for naturalising of the tessera. All tessera are fully bonded and affixed to a synthetic mesh on the rear of the tessera or affixed to paper applied to the surface of the tessera. Natural deflection in the surface of the tessera are on occasion present.

Colour:- The colour within each individual tessera is natural and some deviation from samples may occur as with naturally produced products.
