Mosaic Tiles - Feature Panels

A NATURAL CHOICE

MOTHER OF PEARL

01

BEAUTY

Mother of pearl tiles have a totally unique lustrous look and texture that is unequalled when it comes to building materials and elevates any room instantly.

02

ADAPTABILITY

Mother of Pearl can be applied to any type of surfaces from walls to floors or countertops. It works with a wide variety of styles & enhances other materials.

03

WIDE CHOICE

Siminetti offers over 300 styles of mother of pearl surfaces with a variety of types, shapes, colours and patterns to suit all design projects and room décors.

04

WATERPROOF

Since it comes from the ocean, this material is of course totally waterproof. It is great to use for bathroom backsplashes, in showers, around tubs, or in showers.

05

RESISTANT

Due to their strength, our mother of pearl surfaces are scratch and heat-resistant too making them a great choice for kitchen backsplashes for example.

06

MAINTENANCE

Mother of pearl tiles and panels are extremely easy to install, they fit into any space and adapt to curves seamlessly, plus they are extremely easy to clean.

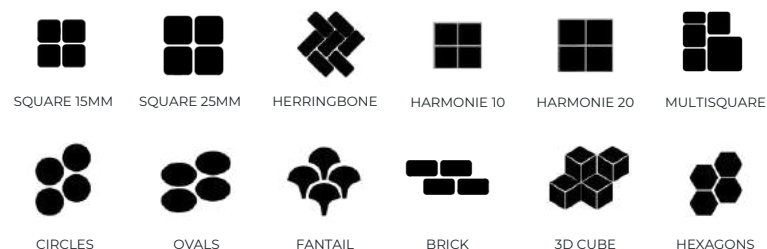

MOSAIC TILES

Utilising both freshwater and saltwater pearl, our mosaics are available in a series of 19 stunning colours, styles and patterns with all of our pearl being sourced from eco-friendly sustainable sources.
